Canossa will be celebrating its
85th anniversary in 2026!

From its humble beginnings as a
swampy land surrounded by
vegetable farms, the school has
blossomed into a thriving
community, reflecting God's
goodness and the Canossian Sisters'
enduring impact on generations of
our children.

we can and not
get anxious about
what we
cannot do.”**

Celebrating our Canossian Children

Dear God

Thank you for our Canossian children

*They are made in the image and likeness of God –
each child a precious gift from You.*

*They possess gifts and talents which You have blessed them with;
each child unique, special and beautiful.*

*Their cheerfulness, innocent joy and laughter warm our hearts.
Their inquisitive nature, creativity and innovative minds amaze us.*

*Their courage, spirit of adventure and passion
inspire us Canossian Educators*

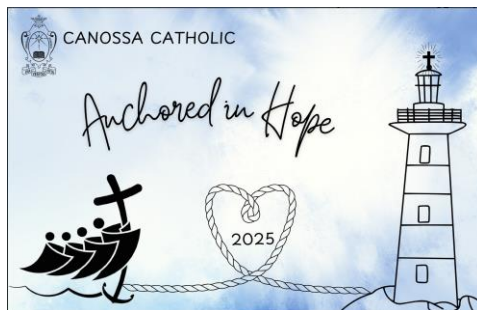

To create opportunities for them to learn and grow.

*Thank you, God, for the opportunity to love and care
for each child lovingly, unconditionally and patiently.*

Thank you for entrusting us with them.

*As our children play and learn together,
may they always know that they are always deeply loved by God.*

Amen

Celebrating 85 Years

Our journey has been one of growth and inclusivity. In 2019, we became a co-educational school. More recently in 2025, we were designated as a mainstream school supporting children with hearing loss through the Oral Approach.

As we look forward to this milestone anniversary, we continue to evolve, staying true to our mission and nurturing young minds in a caring and inclusive environment.

**“The greatest gift
one person can give
another is **time**.”**

- St. Magdalene of Canossa

Celebrating 85 Years

The theme for our celebration is
Tocca a te – It is your turn!

This theme is a call to embrace and live a life of giving, inspired by our Foundress, St Magdalene of Canossa and the many generations who have lived out the Canossian mission before us.

Now, *it is our turn* to carry this mission forward with love, service and dedication.

“Don’t be afraid. Let us try to work with all our heart for the good of souls and for the glory of God.”

- St. Magdalene of Canossa

Reminder for End of Year Examinations

Should your child be unwell on the day of the examination, **a medical certificate** must be presented to the school upon his/ her return. Parents are to call the general office to inform the school of their child’s absence at the beginning of the day of the examination.

Children who are unwell (e.g., fever, cold etc) on the examination day(s) will **not** be allowed to sit for the examination. There will be **no make-up examination**.

Children’s Day Celebrations

The school will be celebrating Children’s Day on Thursday, 2 October 2025. Do note that school hours will be curtailed and the day will end at 10.30am.

As school hours are short, there will be no recess that day. Do ensure your child has breakfast before coming to school.

Apart from having fun-filled activities to celebrate Children’s Day, the Primary 5 children emulate Mother Foundress, St Magdalene of Canossa, by using their gifts and abilities through different acts of love to raise funds for the needy. We encourage your child to put aside some of their allowance so that they can make the contributions on that day. All proceeds will go to Canossaville Children & Community Services.

Children are to bring their Student Planner, colour pencils and markers, pencil cases and bottle filled only with water.

To celebrate Children’s Day, children are to wear their red Canossian T-shirts with pinafore (for the girls) and the formal shorts (for the boys).
