

CANOSSA NEWSBITES

SCHOOL MISSION

Nurturing each in his/ her own way by forming hearts, enlightening minds and empowering spirits to live in The Way, The Truth and The Life

SCHOOL VISION

Leaders of Hope

Sowers of Change

CORE VALUES

Charity, Humility, Forgiveness, Faith

CELEBRATE LOVE!

From the Cross to the Light Jesus, Our Leader of Hope –

He walked beneath a darkened sky,
With silent strength, He did not cry.
The cross He bore – a heavy load,
Love written in each step He strode.

With mercy deep, no word of blame,
He called each heart by love, by name.
Though shadows fell that fateful day,
God's plan of Salvation for Man was underway.

Then came the dawn of Easter Day,
The stone was rolled, death was overcome!
The tomb was empty, light broke through,
A promise made – all things made new!

He is risen!

A Leader of Hope, alive today,
He shows us still the loving way.
To serve, forgive, be brave, be kind,
And leave no one in need behind.

So let us rise and live His call,
With faith and love that reaches all.
To shine His light in all we do –
A world renewed begins with you.

GOD IS LOVE

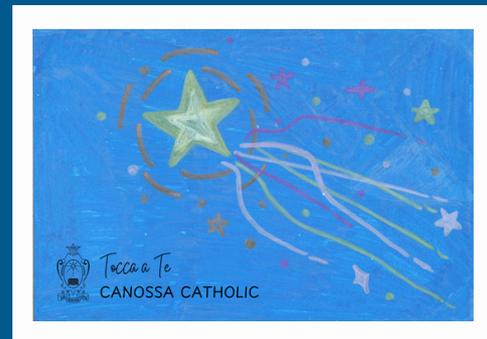

Tocca a Te!

“We must have one heart and one will, loving each other sincerely and without any distinctions.”
- St. Magdalene of Canossa

Tocca a Te!

Easter reminds us that Jesus did not only rise from the dead — He also showed us how to live. His love, sacrifice and forgiveness are not just stories to remember, but examples for us to follow. This is where *Tocca a Te* — *it's your turn* becomes real.

It is our turn to live out His message each day: to show charity by helping those in need, to practise humility in our words and actions, to offer forgiveness even when it is difficult, and to keep faith in doing what is right. In the small choices we make, we carry His light into the world. This Easter, we are reminded that a world renewed begins with each one of us.

INTERNATIONAL FRIENDSHIP DAY

Our school will be commemorating International Friendship Day (IFD) on 10 April, with the theme *Singapore: Forging Friendships in a Complex World*. An assembly programme will be held on 9 April to help our children appreciate the importance of embracing diverse cultures and perspectives.

Through the planned activities, our children will be encouraged to be open, respectful and cooperative as they build meaningful friendships. They will also develop a deeper understanding of Singapore's place in the world and the importance of strong relationships in today's interconnected society.

These experiences aim to encourage our children to play an active role in promoting harmony and working collaboratively with others in an increasingly globalised world.

“We must have one heart and one will, loving each other sincerely and without any distinctions.”

- St. Magdalene of Canossa

EARTH DAY

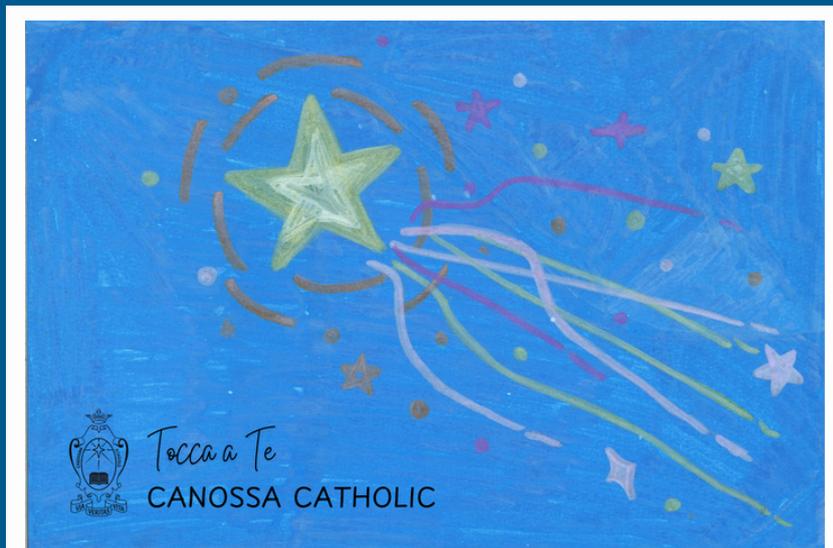

CCPS is celebrating Earth Day on 23 April. The theme of this year’s Earth Day is *Our Power, Our Planet*, highlighting that individual and collective actions can drive changes to secure our future. This builds on the success of our Earth Day campaigns over the last decade.

To show our support for Earth Hour, we will switch off the lights for 5 minutes as a symbolic act to show our dedication to conserving energy. In addition to the recess activities, our children will take part in a sustainability challenge to increase green spaces in our school.

We hope that all of us will be stewards of the Earth by actively embracing and enacting the principles of reducing, reusing, recycling and rethinking to protect our shared home, our planet.

“We must have one heart and one will, loving each other sincerely and without any distinctions.”
- St. Magdalene of Canossa

CALENDAR OF EVENTS (APRIL)

Date	Events	Remarks
3 April	Good Friday	Public Holiday
6 April	Easter Monday Paraliturgy	School as per usual

“We must have one heart and one will, loving each other sincerely and without any distinctions.”
- St. Magdalene of Canossa

FUTURE PROBLEM SOLVING PROGRAMME NATIONAL FINALS

Our school's Lumina Programme is our leadership development initiative to equip selected student leaders with essential 21st-century skills. This year, our student learners had the opportunity to apply the 6-Step Creative Problem Solving Process from the Future Problem Solving Programme (FPSP), enabling them to think creatively, evaluate possibilities thoughtfully, and respond effectively to real-world and future-focused challenges. We would like to congratulate our student leaders on their achievements!

Future Problem Solving Programme (Singapore) 2026 National Finals

3rd Place

Outstanding Effort and Achievement In: Team Community Problem Solving Competition (Junior Division)

Name	Class
Chao Chia-Ling	6 Piety
Chong Yu Qian	6 Hope
Hoa Wei Qing Lucas	6 Joy
Jadine Sim Yuxi	6 Justice
Lai Zixuan Anya	6 Piety
Lim Shan Zhi Isaac	6 Peace
Martin Mario Tan Jun Long	6 Piety
Thomas Richard Espeleta Relos	6 Peace

Honourable Mention

Outstanding Effort and Achievement In: Team Community Problem Solving Competition (Junior Division)

Name	Class
Aakif	6 Hope
Chooi Wan Gaa	6 Justice
Francis Alexander Yam Mun Heen	6 Justice
Lai Eunice	6 Justice
Sarah Lee Ruiyi	6 Piety
Sng Yuan Jie Reyes	6 Hope
